\* Production on Free Programs will not start until Student Order Forms are received by StudentPublishing.com.

\*\* SPC Online tool allows illustrations to be created with free-hand drawing tools, hundreds of paintable backgrounds and stickers, or upload scanned-in hand drawings or photos.

PDF Upload tool allows you to use any authoring program (like MS Word) to upload individual pages or an entire story. In most cases, PDF pages can be combined with pages designed using online tool.
